

Please do not get rid of the do not call list. Our evening life was interrupted continuously by the telemarketers. If the telemarketers need to be able to call people, make a "Please call us list". That way everyone who doesn't care about call can be bothered. It seems by the popularity of this list, people don't like their lives interrupted constantly. Don't we have the right to decide if we want our phone to ring constantly or not?

Thankyou for your reading of this note.

Sincerely,  
Lois Cooper
